Robinson High School

Waco, Texas

Dedication

The 1968 Annual Staff wishes to dedicate the GALAXY to you, the Senior Class of 1968. You have shown outstanding leadership. We feel that it is now time to honor that class whose dedication to his school has inspired many people. We express our sincere appreciation for the guidance given to us as a class as well as individuals.

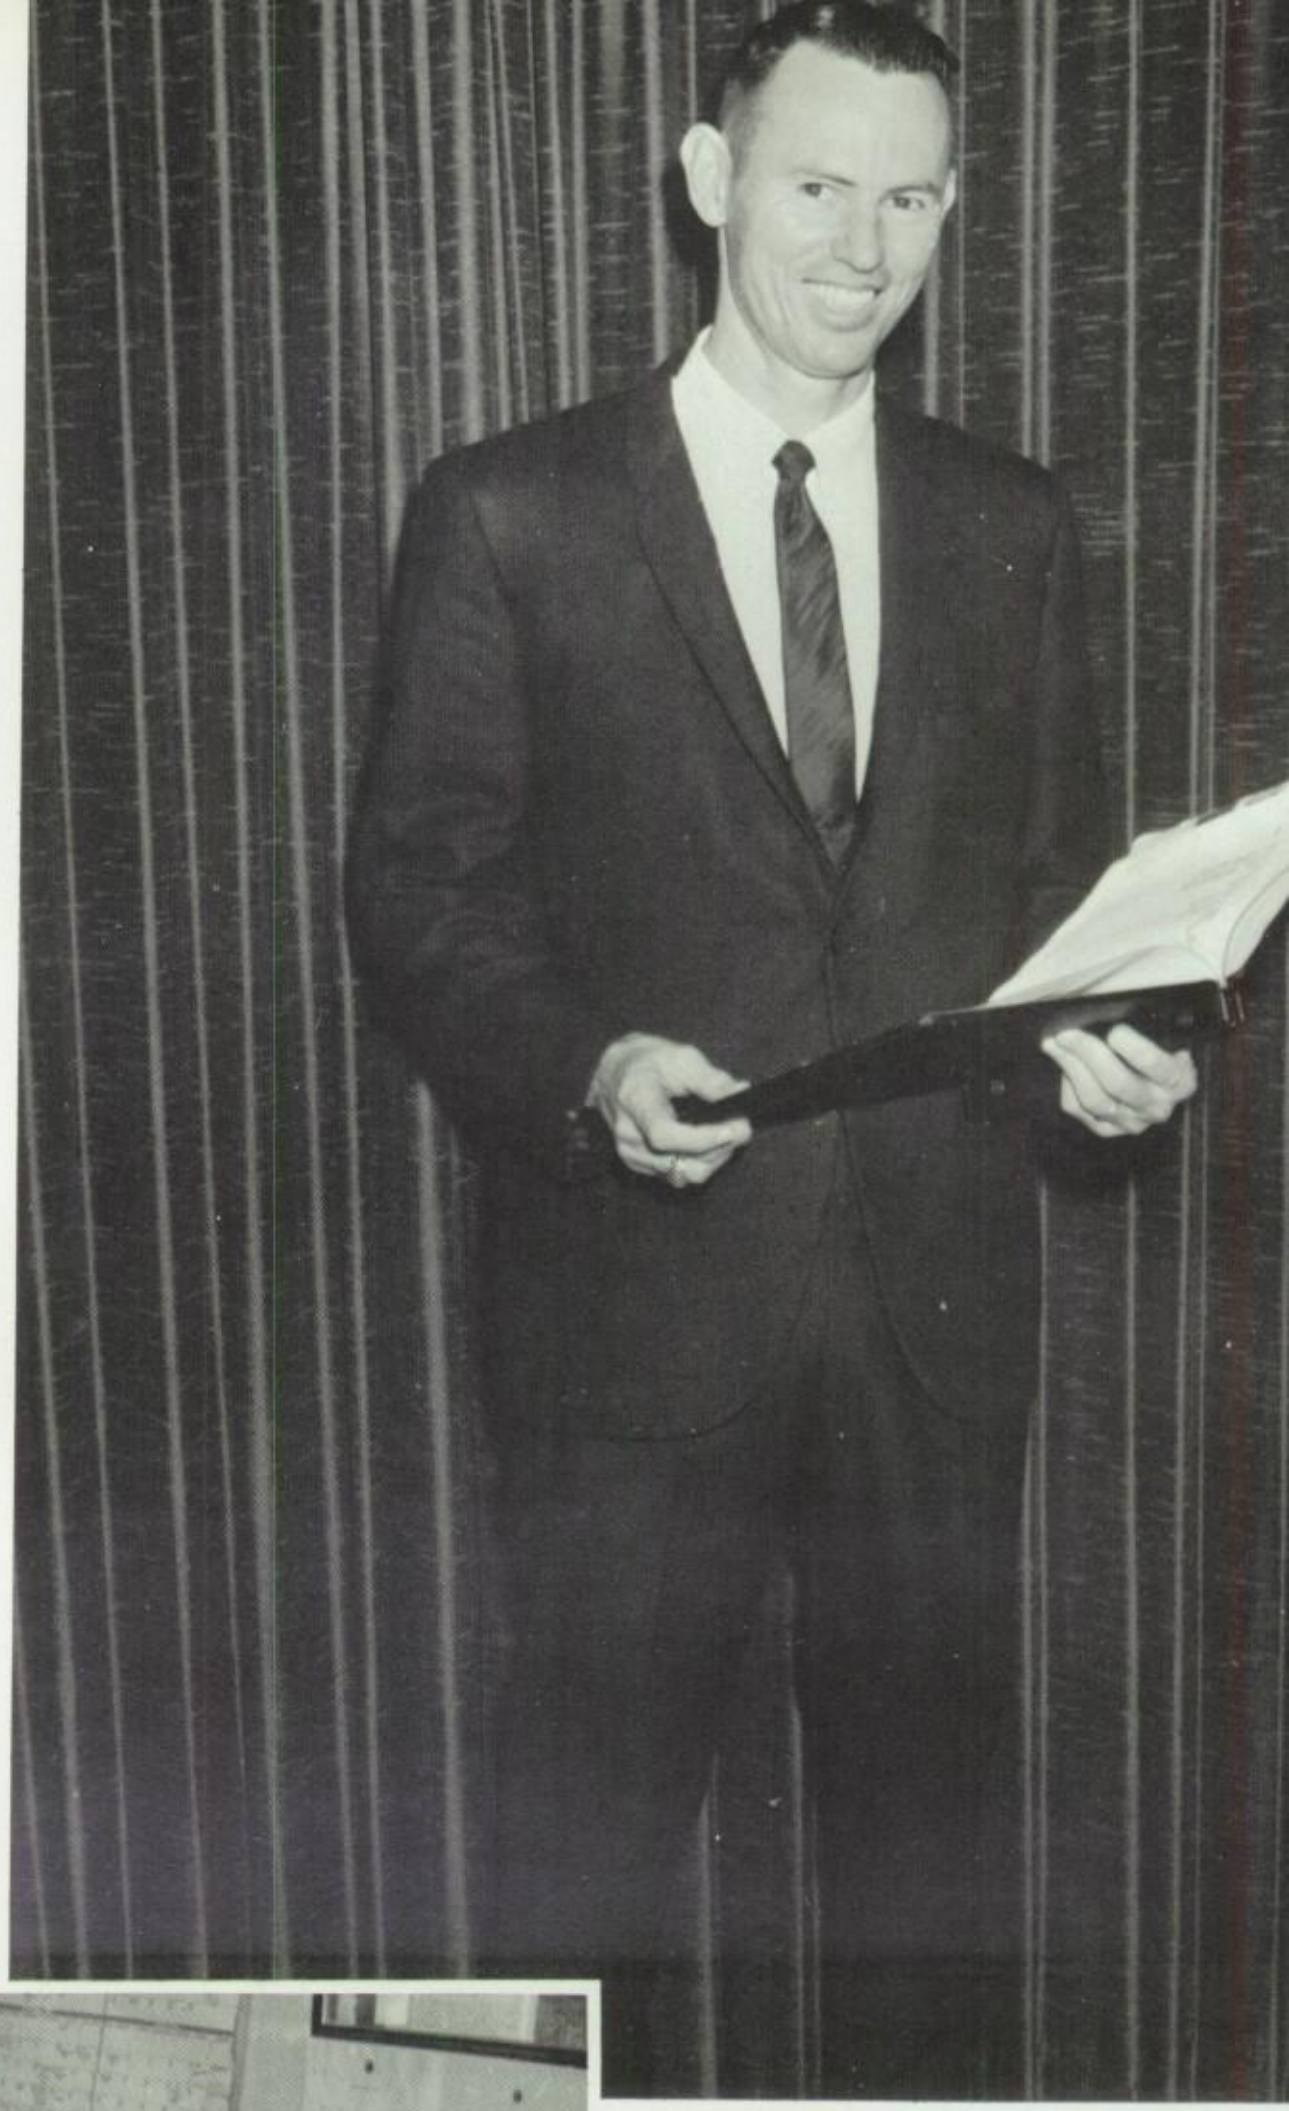
Superintendent

The task of Superintendent, MR. WILLIAM BRADLEY, is to organize, to plan, and to maintain proper human relationships. In these areas the school administrator finds many rewarding experiences, especially when progress can be seen. Organization and planning help create an atmosphere involving purpose and common goals within the classroom. Human desire on the part of the students and teachers all areas improves, a better school results.

It is the desire of any superintendent to be a personal friend and counselor of each individual student and teacher, even though it is sometimes a lonely job when decisions must be made and administered based upon facts which he alone will or can know.

The position of Superintendent of the Robinson Schools is not a factor that affects one's life for it is his life. All that remains is a little family life, an occasional recreational venture, and limited religious organizations.



A new addition to the staff is MISS JOANN WOLLITZ, a graduate of Robinson High School. She holds the position of secretary to the superintendent.

High School Principal

Mr. William Farney is completing his first year as high school principal. Some of his duties include planning the curriculum, representing the school in different organizations, handling serious discipline cases, and scheduling classes, teachers, and extra activities.

We appreciate all the work he has done to get the school off to a good start and the cooperation he has given the annual staff.

Junior High Principal

The position of junior high principal has been filled this year by Mr. Ed James. Among his duties, Mr. James is in charge of attendance, most discipline cases, and teaching Health classes.

The annual staff wishes to thank him for his patience and understanding.

High School Pep Squad Encourages Rockets on to Victory

The football games will always be remembered as events full of excitement and crowd enthusiasm. But who created all that excitement and enthusiasm? The pep squad and cheerleaders helped! Led by these, Robinson's spirit can be heard in the pep rallies and the large turnouts for games.

"Are the Rockets gonna win this game tonight?" bounces off the walls of the gym as the five cheerleaders lead the student body and the pep squad during the rallies. All of this work is well worth the effort when the Rocket team goes on to victory.

Win, Lose, or Draw . . . Robinson Fans Turn Out in Great

The bonfire, which was built and guarded by the student body the week prior to homecoming was a big success and a spirit builder ...

One of the most important activities of the year is homecoming. It gives students and exes a chance to see old friends. The climax of the day is the crowning of the queen. Each year the senior class nominates five senior girls for Homecoming Queen. Then the entire student body elects the queen.

Homecoming day, Friday 13, saw Robinson students brewing up a victory during pep rally.

Crowning of
Queen Debbie by the
1966 Queen, Jo Ann Wollitz

The Halloween Carnival this year was the most successful in Robinson High School history. Queen candidates are elected by popular vote from each class. The students then support their candidate by raising money throughout the week; a penny per vote. At the end of the week a carnival is held and the queen is announced. This year, for the first time in Rocket history, the Freshman nominee, Debbie Wollitz, was crowned Carnival Queen.

This year the classes raised a combined total of over one thousand dollars. This money will be used for scholarships for deserving seniors.

Christmas 1967

Christmas this year was a memorable occasion for all. In the tradition of Robinson High School the Seniors decorated the Christmas tree. Faculty and students alike enjoyed the Christmas program presented by the Student Council. The party ended with the exchanging of gifts, and refreshments.

"Songs like that make you remember."

"I'd rather go to a dance with you than anyone."

"Dan - nineteen times seventeen?" "Three twenty-three."

"You'll take this right back to the store."

"You're not supposed to leave the table 'til you're finished."

"Lincoln freed the slaves. All but one. All but one.

"This darn thing don't fit so good, but I'll show 'em!"

"Ora, are you alright!"

"Don't just sit there staring!"

"If you don't send me the rest of the money, I'll be right back."

"Engaged, Oh no, not again!"

"So, Mr. Van Stael won't be bothering us anymore."

Only electricity provides flameless cooking! Teresa, Janie, Suzzane, and Sue believe in cooking the modern way ... the clean and cool way ... with flameless electricity. With no flame, there's no smudge and no soot ... pots and pans stay bright ... walls, cabinets and curtains stay fresh. The insulated oven of our electric range lets you maintain exact cooking temperatures. Quick-action surface units make direct contact with untensils so heat goes into foods and not into the air with flameless electricity. The average monthly cost of cooking electrically is from $1.50 to $2.25.
